1. INTRODUCTION

- 1.1 Cabinet adopted a framework for the evaluation of Heads of Department (HoDs) in April 2000, and in December 2002, Cabinet took the decision to make compliance with the Framework mandatory for all National and Provincial departments. In order to facilitate the evaluation of HoDs in terms of the approved framework, the Public Service Commission (PSC) issues guidelines on an annual basis, at the latest by **30 September** of each year. This document accordingly provides guidelines for the evaluation of the performance of HoDs during the 2010/2011 financial year. For the sake of completeness the Directives issued by the Minister for Public Service and Administration have been included in this document.
- 1.2 These guidelines also incorporate elements of the Performance Management and Development System for senior managers (PMDS) which came into effect from 01 April 2002 and were amended with effect from 01 April 2006. Additional amendments introduced through circular 1 of 2007 and the circular dated 11 September 2008 have also been incorporated.
- 1.3 It would be appreciated if the necessary preparations in terms of the framework could be finalized expeditiously so that all required documentation can be submitted by the due dates. As soon as the annual reports are published please forward them to the Office of the Public Service Commission (Office).
- 1.4 The guidelines are available on the PSC Website at: <http://www.psc.gov.za>.
- 1.5 Any enquiries regarding these guidelines should be directed to Ms Charmaine Julie at the following contact numbers:

Telephone: (012) 352 1203/1014
Cell: 083 984 8296
Fax: 012 328 3406
Email: CharmaineJ@opsc.gov.za
- 1.6 Enquiries from provincial departments should be directed to the Offices of Regional Directors as indicated in Annexure A.

2. EVALUATION PANELS

2.1 Directives

- (a) Executive Authorities (EAs) must appoint evaluation panels to assist them with the evaluation of their HoDs. The nomination of members to serve on evaluation panels is left at the discretion of EAs. The evaluation panels can reflect stakeholders as dictated by the nature of the department concerned and may also involve the peers of HoDs.
- (b) Each evaluation panel appointed for HoDs of national departments will be chaired by either the Chairperson or Deputy-Chairperson of the PSC. Panels appointed for provincial HoDs will be chaired by the Commissioner resident in that province or, in their absence, by a nationally nominated Commissioner (other than the Chairperson or Deputy-Chairperson). The involvement of the PSC on these panels is to ensure that, as independent role player, the evaluation process is fair and equitable and that the same norms and standards are applied to all HoDs in terms of procedures.
- (c) The role of evaluation panels is to advise EAs on the performance of their HoDs.

2.2 Guidelines

- (a) The composition of the evaluation panel should be discussed by the EA with the HoD involved. Although the final decision on the composition of the evaluation panel remains that of the EA, attempts should be made to reach agreement with the HoD in this regard.
- (b) In addition to the Chairperson from the PSC, the panel members should comprise not less than three but not more than four members. It is proposed that panels be constituted as follows:

- (i) A Minister from the same Cabinet cluster in the case of national HoDs, and a Member of the Executive Council (MECs) in the case of provincial HoDs.
 - (ii) One peer of the HoD (nominated from the FOSAD cluster in which the HoD participates in the case of national HoDs or from amongst the other HoDs in a province in the case of provincial HoDs; national HoDs may also be nominated as peers to serve on provincial panels).
 - (iii) One or two persons representing key client(s) or stakeholder(s) of the department.
- (c) Executive Authorities are encouraged to ensure representivity when appointing panel members.
- (d) Executive Authorities should, after consultation with panel members on their availability for the panel, confirm their appointment in writing and the date of the evaluation. During the consultation process, the role of the panel should be explained. To this end, a copy of these guidelines should be provided to the panel members.
- (e) In order to expedite the finalisation of the evaluation process, the EA should liaise with the Office of the PSC on possible dates for the evaluation, and should strive to nominate panel members who will be available on those proposed dates. **EAs are responsible for ensuring the availability of panel members during scheduled evaluation meetings.**
- (f) In order to streamline the evaluation process and improve compliance with this Framework, it is advisable that evaluation panels be constituted according to Government Clusters in the national and provincial spheres. In such an instance the composition of the evaluation panel would be discussed and confirmed by the EAs and HoDs within a Cluster. The final decision on the composition of the evaluation panel still remains that of the EAs in that Cluster. Attempts should therefore be made to reach agreement at the level of the Cluster and with the HoDs to come up with a single panel that would evaluate all HoDs in one or two sittings.

2.3 Administrative requirements

- (a) The names and contact details of panel members must be provided to the PSC by no later than **31 October 2011** by all EAs. In the case of national HoDs this information must be forwarded for the attention of the Chairperson of the PSC. The details of panel members for provincial HoDs must be forwarded to the Public Service Commissioner resident in the relevant province. A contact list of the relevant Commissioners is attached in **Annexure A**.
- (b) In order to promote compliance with the PMDS, the PSC will only facilitate evaluations which take place within twelve months of the release of the departmental Annual Reports for the performance cycle under review. Given the fact that Annual Reports are currently published in August, the PSC will facilitate evaluations from August following the release of the Annual Reports until July the following year. In terms of this provision, **the cut-off point for facilitating evaluations for the 2010/2011 performance cycle will be 31 July 2012.**

3. SECRETARIAT

3.1 Directives

- (a) All evaluation panels must be supported by the Secretariat provided by the Office of the Public Service Commission.
- (b) The role of the Secretariat is to collate and process all the information received from HoDs and Executive Authorities into a reporting format for the evaluation panels and to take minutes of proceedings and assist the panel with the calculation of the final score results based on the evaluation of KRAs and CMCs during meetings of the evaluation panels.

3.2 Guidelines

- (a) It is proposed that Executive Authorities nominate a contact person in their offices to liaise with the Secretariat in order to expedite the evaluation process.
- (b) In order to assist with the calculation of the final score / result, the Secretariat captures the agreed scores of the evaluation panel on each KRA and CMC in the Microsoft Excel calculator prescribed in the PMDS as indicated in **Annexure B**.
- (c) National Departments can call the Secretariat on the number which appears on page 4 of this document if assistance is required when compiling documentation for the purpose of the evaluation.
- (d) Provincial departments should call respective Public Service Commission Offices at the telephone/cell phone numbers listed in **Annexure A** on page 18 and 19 of this document for further assistance.

4. EXECUTIVE AUTHORITY

4.1 Directives

All EAs will participate in discussions of the evaluation panels of their respective HoDs and will provide inputs when deemed necessary or when required by the panel. The advice emanating from the evaluation panel will not be binding on EAs and they will still be responsible for the final decisions.

4.2 Guidelines

- (a) Executive Authorities should complete the Verification Statement (VS) by rating each KRA and CMC in the performance agreement of the HoD and also by making comments on the space provided, prior to sending the VS (**Annexure C**) to the PSC. Furthermore, the EA and HoD should conduct Annual Appraisal and discuss the HoD's achievements, agree on scores and sign the VS. Each page of the VS should be initialed by both the EA and HOD, and full signatures should be attached at the end of the document.
- (b) Executive Authorities shall participate in the discussions of the evaluation panels of their respective HoDs, but should recuse themselves when the panel starts to formulate its advice on the level of performance of the HoD.
- (c) In the event of changes in the Executive, it is advisable for the responsible EAs to involve former EAs who were responsible for supervising the work in concluding the VS. Former EAs may also be invited to provide an overview of performance to the panel and respond to questions by panel members on the day of the meeting. Should former EAs be unavailable, the responsible EA must use the information at his / her disposal to finalise the evaluation.
- (d) Executive Authorities should carefully study the advice received from the evaluation panel. After applying their minds EAs need to take a decision **and communicate that decision to their HoDs.**
- (e) In view of the fact that EAs will be participating in the evaluation by the panel, it is advisable for EAs not to deviate from the advice of the evaluation panel except where they provide valid reasons for this. If such reasons exist, good practice requires the EA to minute the reasons of his/her decision on the performance of the HoD. The reasons should accordingly be conveyed to the PSC and the HoD concerned.

5. EVALUATION PROCESS

5.1 Directives

- (a) The evaluation of HoDs will be aligned to the planning cycle of Government. Currently Government uses the Medium Term Strategic Framework (MTSF) cycles for planning and the annual performance plans for implementation. It therefore follows that evaluation periods will be linked to financial years. Evaluations must cover one financial year.
- (b) HoDs and their EAs must complete negotiations and sign performance agreements by the end of May each year. The format provided in the PMDS shall be utilized for all PAs (**Annexure D**). Performance Agreements of HoDs must be filed with the PSC not later than 30 June of each year.
- (c) Progress made in relation to the set objectives in the performance agreements must be reviewed regularly. At a minimum, two formal performance reviews should take place annually (preferably one in the middle and another at the end of the cycle). These reviews should be in writing and submitted to the PSC with all other relevant documents for annual assessment.
- (d) The information to be used during the evaluation process must be forwarded to the Office of the Public Service Commission according to the set dates. The following information will be used during the evaluation process:
 - (i) The performance agreement for the relevant financial year.
 - (ii) The department's three-year strategic plan which incorporates the particular year for which the HoD's performance is being evaluated. Where available, the Annual Performance Plan can be utilized.
 - (iv) The department's annual report for the relevant financial year.
 - (v) A verification statement completed by the EA and HoD detailing the achievement of key result areas and core management criteria provided for in the performance agreement.
 - (vi) Half yearly review reports for the relevant financial year.

- (e) The designated secretariat will collate all information submitted to it and forward it to the evaluation panel for consideration. During the evaluation process, evaluation panels will obtain inputs from both the Executive Authority and HoD.
- (f) The panel will consider performance for each Key Result Area (KRA) and Core Management Criteria (CMC) and award a score on a scale of 1 to 5 as defined below (The Secretariat will assist with the calculation and the overall score will then determine the level of performance):

LEVEL 5: OUTSTANDING PERFORMANCE (150% - 167%) – Performance far exceeds the standard expected of a member at this level. The appraisal indicates that the HoD has achieved exceptional results against all performance criteria and indicators and maintained this in all areas of responsibility throughout the year.

LEVEL 4: PERFORMANCE SIGNIFICANTLY ABOVE EXPECTATIONS (130% - 149%) – Performance is significantly higher than the standard expected in the job. The appraisal indicates that the HoD has achieved better than fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.

LEVEL 3: FULLY EFFECTIVE (100% - 129%) – Performance fully meets the standard expected in all areas of the job. The appraisal indicates that the HoD has achieved fully effective results against all the performance criteria and indicators as specified in the PA and Workplan.

LEVEL 2: PERFORMANCE NOT FULLY SATISFACTORY (70% - 99%) – Performance is below the standard required for the job in key areas. The appraisal indicates that the HoD's performance meets some of the standards expected for the job. The assessment indicates that the member has achieved below fully effective results against more than half of the key performance criteria and indicators as specified in the PA and Workplan.

LEVEL 1: UNACCEPTABLE PERFORMANCE (69% and lower) – Performance does not meet the standard expected for the job. The appraisal indicates that the HoD has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the PA and Workplan. The HoD has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.

- (g) The panel will provide advice in writing to the relevant Executive Authority indicating the level of performance of the HoD. The Executive Authority, after considering this advice, will make decisions on cash bonus, and salary progression and other actions to be taken (as provided in the PMDS) in terms of the performance of their HoDs.
- (h) According to a Cabinet decision of 16 February 2005, no cash bonus may be paid to an accounting officer (irrespective of level) who materially over or under spends on his/her budget.
- (i) The results of the evaluation process must be forwarded to the President and the Premiers.

5.2 Guidelines

- (a) In terms of a Cabinet decision of December 2002, HoDs must file their PAs with the PSC. The date for filing PAs is normally 30 June of each year. In terms of the PMDS, all eleven CMCs and Example 2 of the workplan contained in the PMDS are compulsory for HoDs. HoDs are required to reflect applicable Batho Pele Principles against each KRA and CMC. The three mandatory KRAs (Regional Integration, Integrated Governance and Minimum Information Security System) should be included on the PAs of all HoDs. There must also be alignment between the KRAs and the key planning documents such as the EAs PAs or Service Delivery Agreements with the President/Premiers, Budget Vote of the Department, the Strategic or Operational Plan and other relevant documents.
- (b) Annual reports for 2010/2011 should be provided as soon as they are published.
- (c) Where PAs do not comply with the requirements of the PMDS format (**Annexure D**), the affected HoDs will not be evaluated in terms of this framework. Executive Authorities will have to make representations directly to the MPSA on alternative measures to evaluate their HoDs where such compliance cannot be met.

A checklist that is used for assessing the quality of the Performance Agreements submitted to the PSC is attached at **Annexure E** for ease of reference.

- (d) Executive Authorities and HoDs should pro-actively commence

with the completion of the verification statement and should not wait for the publication of departmental annual reports. Both the EA and the HoD should indicate their individual scores against each KRA and CMC and complete the milestones column in the verification statement and append initials on each page and their signatures on the last page. Ten copies of the verification statements, annual performance plans or the three-year strategic plans which include the 2010/2011 financial year and performance agreements for 2010/2011 should be submitted to the PSC no later than **31 October 2011**. The format attached as **Annexure C** should be used for the completion of the verification statement.

- (e) The Secretariat will distribute the evaluation documents to the panel together with information collated from the evaluation documents.
- (f) The Secretariat should timeously submit collated information to the members of the evaluation panel, ideally three weeks before the evaluation meeting. Evaluation panel members should submit questions for clarification to the Executive Authority and HoD **via the Secretariat** at least one week before the evaluation meeting. The secretariat will submit a collated list of such questions to the relevant Executive Authority and HoD three days prior to the evaluation meeting.
- (g) Guidelines on the structure of evaluation meetings are attached at **Annexure F**.
- (h) In accordance with **Annexure G**, the evaluation panel should provide its advice in writing to the Executive Authority, which should indicate the score in percentage obtained by the HoD as well as the comments of panel members, where applicable. For the purpose of awarding a cash bonus, where applicable, the following table provides parameters for awarding these for performance that is outstanding or significantly above expectations:

AWARDING OF CASH BONUSES/PAY PROGRESSION			
CATEGORIES	TOTAL SCORE	CASH BONUS	PAY PROGRESSION
A: Outstanding performance	150%- 167%	Between 10 – 14% of the package	Applicable
B: Performance significantly above expectations	130 -149%	Between 5 – 9% of the package	Applicable

C: Fully effective	100 - 129%	Not Applicable	Applicable
D: Performance not fully adequate	70 – 99%	Not Applicable	Not Applicable
E: Unacceptable performance	69% and lower	Not Applicable	Not Applicable

- (i) Heads of Department shall be eligible for pay progression to the next higher remuneration package within the relevant remuneration band after completion of at least one financial year's service at the current remuneration package. The HoD should have been assessed and rated at least on the level of fully effective in order to qualify.
- (j) The written decision by the EA must be provided in accordance with the format attached at **Annexure H**, which should be submitted to the Office of the Public Service Commission.
- (k) Executive Authorities should also provide a copy of the above decision to the Head: Corporate Services in their departments for implementation.

6. REVIEW

6.1 Directives

- (a) Where a HoD is dissatisfied with a decision of the EA regarding the evaluation she/he may request a review of the matter. The performance agreements of HoDs provide for a dispute settlement procedure according to which a person is identified to whom disputes must be referred for mediation. As a first step, disputes emanating from the performance evaluation of HoDs must be referred to the agreed person. If, however, the dispute cannot be resolved by such a person, the matter can be referred to a Review Committee. A national HoD must lodge his/her dissatisfaction with a Review Committee consisting of the Deputy President and the Minister for Public Service and Administration or their nominees. In the case of a dispute from DPSA, the Review Committee will be constituted by the Deputy President and the Minister in the Presidency responsible for Performance Monitoring and Evaluation.
- (b) A provincial HoD must lodge his/her dissatisfaction with a Review Committee consisting of the Premier and a MEC nominated by the Premier. A Director-General in the Office of a Premier can refer his/her dispute to a Review Committee consisting of the Deputy President and the Minister for Public Service and Administration or their nominees. In instances where the Premiers have not delegated their authority in terms of the career incidents of HoDs (provided in section 42A (3) of the amended Public Service Act, 1994), the same review process provided for national HoDs and Directors-General in the Offices of Premiers should be followed, e.g. referral to a Review Committee consisting of the Deputy President and the Minister for Public Service and Administration or their nominees.

6.2 Guidelines

Disputes referred to Review Committees must contain the following details:

- (a) The written advice of the evaluation panel.
- (b) The decision by the Executive Authority.
- (c) Reasons for deviating from the advice of the evaluation panel, if applicable.

- (d) Affidavits from both the EA and HoD containing full details of the nature of the dispute.

5.2 The SMS member undertakes to focus and to actively work towards the promotion and implementation of the KRAs within the framework of the laws and regulations governing the Public Service. The specific duties/outputs required under each of the KRAs are outlined in the attached work plan. KRAs should include all special projects the SMS member is involved in. The work plan should outline the SMS member's specific responsibilities in such projects.

The plan for addressing developmental gaps is attached as Appendix C.

TIMETABLE AND RECORDS OF REVIEW DISCUSSIONS AND ANNUAL APPRAISAL

Specify the dates when progress reviews and feedback sessions will take place, as well as the annual evaluation session:

MANAGEMENT OF PERFORMANCE OUTCOMES

Identify and specify what actions will be taken in recognition of superior performance or to address poor/non-performance: (These should be based on Chapter 4 of the SMS Handbook).

DISPUTE RESOLUTION

[Specify the name of a person who will mediate in the case of a dispute arising from this agreement. It should however, be noted that the PSC discourages the use of the Minister for Public Service and Administration, Premiers and PSC Commissioners as mediators given their oversight role in the performance management cycle.]
- 9.2 If this mediation fails, the dispute-resolution procedures referred to in Chapter 4 of the SMS Handbook will apply.

AMENDMENT OF AGREEMENT

Amendments to the agreement should be in writing and can only be effected after discussion and agreement by both parties. (The amended PA should also be filed with the PSC)

PSC's CHECKLIST FOR THE QUALITY ASSESSMENT OF THE PERFORMANCE

AGREEMENTS OF HEADS OF DEPARTMENT

INTRODUCTION

1. In terms of Public Service Coordinating Bargaining Council (PSCBC) Resolution 13 of 1998, senior managers are required to sign performance agreements (PAs) whose aims are -
 - (a) to assist senior managers to define key responsibilities and priorities, and provide measures for assessing success;
 - (b) to encourage improved communication between senior managers and their supervisors; and
 - (c) to enable the Executive Authority (EA) or supervisors of senior managers to assess the senior manager's work and provide support.
2. The new Performance Management and Development System (PMDS) which came into effect on 1 April 2002 and **amended w.e.f. 1 April 2006**, provides for the inclusion of mandatory elements in PAs.
3. In terms of the PMDS, as amended, all HoDs should enter into PAs within the first two months of the new financial cycle.
4. The Public Service Commission was mandated by Cabinet to advise EAs and Heads of Department (HoDs) on the quality of their PAs. For this purpose the following checklist has been developed and is applied in ensuring PAs of HoDs are of the required quality and are a useful tool in managing and improving performance.

ALIGNMENT WITH OTHER PLANNING INFORMATION

5. Performance Agreements of HoDs should be based on and reflect the Strategic Objectives of Departments listed in their Departmental Strategic Plans. The Strategic Plans are approved for a period of three years as per the Medium Term Strategic Framework. The Strategic Plans and Performance Agreements should reflect the main thrust of the annual State of the Nation / Province Address, the relevant Minister's Budget Vote Speech and the Service Delivery Contract between the President / Premier and the Ministers. The Performance Agreement should also reflect the role of the Department in the Cluster Programme of Action.

QUALITATIVE ASSESSMENT OF THE PERFORMANCE AGREEMENT

7. The following quality issues should be addressed:

AREA TO BE CHECKED	QUALITY ISSUES TO BE ADDRESSED	ADDITIONAL FOLLOW UP TO BE MADE/REMARKS BY THE OFFICE
(a) Formulation of KRAs	<ol style="list-style-type: none"> 1. Are KRAs clearly formulated and understandable? 2. Are KRAs correctly identified? (i.e. are KRAs not confused with outputs or activities?) 3. Is there any duplication in the contents of KRAs? Can certain KRAs not be collapsed into one? Are there no KRAs duplicating the CMCs? 	
(b) Formulation of outputs/ activities	<ol style="list-style-type: none"> 1. Are outputs and activities clearly formulated and understandable? 2. Are outputs and activities relevant to KRAs? (by comparing with strategic plan) 	
(c) Formulation of performance indicators.	<ol style="list-style-type: none"> 1. Do performance indicators allow measurement of achievement? Check outputs and performance indicators to determine whether performance indicators should provide for measurement in terms of – <ul style="list-style-type: none"> • timeframes • quantity • quality 2. Check if performance measures are achievable / realistic. (Due to a lack of line function knowledge of departments, care should be taken if advice is to be formulated in this area. Focus should mainly be on glaring discrepancies in timeframes allocated) 	
(d) Appropriateness of weightings.	Check for discrepancies in the allocation of weightings. If specific KRAs have been allocated substantially higher weightings than others, the reasons for the weightings could be requested in the advice letter (unless the awarding of the weightings was done for reasons obvious to the	

AREA TO BE CHECKED	QUALITY ISSUES TO BE ADDRESSED	ADDITIONAL FOLLOW UP TO BE MADE/REMARKS BY THE OFFICE
	Office).	
(e) Adequate addressing of resource requirements and enabling conditions.	Where this area has not, according to the Office, been completed with sufficient detail, the advice letter should enquire from the HoD whether he/she is satisfied that the enabling conditions contained in the PA have been adequately covered.	
(f) Performance standards attached to the CMCs.	Check if department specific performance standards have been set in addition to the generic standards. If not, enquire from the HoD whether no additional standards are required.	
(g) Weighting of CMCs.	As with the KRAs check for obvious discrepancies in weightings allocated and enquire from the EA and HoD on the rationale applied during allocation. Simply allocating equal weighting to CMCs may suggest that no adequate consideration was given to each CMC.	

STRUCTURING MEETINGS OF EVALUATION PANELS FOR THE EVALUATION OF HEADS OF DEPARTMENT

1. RESPONSIBILITIES OF THE EVALUATION PANEL

- 1.1 The role of evaluation panels is to advise EAs on the performance of their HoDs
- 1.2 The members of the panel must be objective and must strive to formulate advice based on fact and not assumption. Panel members must therefore be given the opportunity to seek clarity where required from the HoD and EAs.
- 1.3 The panel must strive to reach consensus at the meeting on the level of performance regarding each KRA and CMC. The total score will influence the final result and level of performance of HoD in the advice to be provided to the EA. Minority positions must be minuted and indicated to the EA.

2. STRUCTURE OF MEETINGS

The chairpersons of evaluation panels (Public Service Commissioners) will play a significant role in the evaluation of HoDs to ensure that justice is served. They should therefore be well prepared for evaluation meetings and communicate their requirements clearly to the Secretariat.

2.1 The Planning Phase

- 2.1.1 After the PSC has written to all EAs and supplied them with copies of the Guidelines, EAs should proceed with finalizing the appointment of panel members. The relevant Commissioner will formally communicate to the panel members and forward the necessary documentation for the evaluation.
- 2.1.2 Chairpersons should request panel members to go through the documentation and prepare questions for clarification to be directed to the relevant EA and HoD. Where possible,

these questions should be forwarded to the secretariat at least one week before the panel meeting. Questions may also be raised at the evaluation meeting.

2.2 THE MEETING

The Chairperson will be responsible for structuring the evaluation meetings. Evaluation panel members should set aside at least two hours for the evaluation. The agenda for an evaluation meeting could be structured as follows:

1. Welcome and introductions
2. Discussion of process/purpose
3. Overview of HoD's performance by the Executive Authority
4. Overview by the HoD and response to pre-identified questions
5. Questions for clarification to HoD and EA
6. Evaluating and summarising the assessment and deciding on the assessment rating for 2010/2011
7. Closure

2.2.1 The Chairperson of the panel must emphasise the importance of confidentiality at the onset of the meeting.

2.2.2 During the meeting the Chairperson must direct discussions and maintain formal meeting protocol.

2.2.3 In the event that consensus cannot be reached on the advice to be provided, a majority and minority position must

be indicated. The Chairperson should, however, endeavour to achieve consensus.

2.2.4 The Chairperson is responsible for summarising the findings of the evaluation panel for minuting by the Secretariat.

2.2.5 Any queries regarding the advice by the panel will be directed by the EA to the Chairperson of the evaluation panel.

2.2.6 The document containing the advice of the panel must be signed at the meeting by all members of the panel.

4. RATING AWARDED IN TERMS OF RATING SCALE
