1. INTRODUCTION

- 1.1 Cabinet adopted a framework for the evaluation of Heads of Department (HoDs) in April 2000, and in December 2002, Cabinet took the decision to make compliance with the Framework mandatory for all National and Provincial departments. In order to facilitate the evaluation of HoDs in terms of the approved framework, the Public Service Commission (Commission or PSC) issues guidelines on an annual basis, at the latest by **31 August** of each year. This document accordingly provides guidelines for the evaluation of the performance of HoDs during the 2008/2009 financial year. For the sake of completeness the framework issued by the Minister for Public Service and Administration is also repeated as “Regulations” in this document.
- 1.2 These guidelines also incorporate elements of the Performance Management and Development System for senior managers (PMDS) which came into effect from 01 April 2002 and amended with effect from 01 April 2006. Additional amendments introduced through circular 1 of 2007 have also been incorporated.
- 1.3 It would be appreciated if the necessary preparations in terms of the framework could be finalized expeditiously so that all required documentation can be submitted by the due dates. As soon as the annual reports are published please forward them to the Office of the Public Service Commission (Office).
- 1.4 The guidelines are available on the PSC Website at: <http://www.psc.gov.za>.
- 1.5 Any queries regarding these guidelines should be directed to Ms Balungile Mbanda at the Office at the following contact numbers:

Telephone: (012) 352 1203/1014
Cell: 082 564 0927
Fax: 086 647 9423
Email: BalungileM@opsc.gov.za
- 1.6 Queries from provincial departments should be directed to the Offices of Regional Directors as indicated in Annexure A.

2. EVALUATION PANELS

2.1 Regulations

- (a) Executive Authorities (EAs) must appoint evaluation panels to assist them with the evaluation of their HoDs. The nomination of members to serve on evaluation panels is left at the discretion of EAs. The evaluation panels can reflect all stakeholders as dictated by the nature of the department concerned and may also involve the peers of HoDs.
- (b) Each evaluation panel appointed for HoDs of national departments will be chaired by either the Chairperson or Deputy-Chairperson of the Commission. Panels appointed for provincial HoDs will be chaired by the Commissioner resident in that province or, in their absence, by a nationally nominated Commissioner (other than the Chairperson or Deputy-Chairperson). The involvement of the Commission on these panels is to ensure that, as independent role player, the evaluation process is fair and equitable and that the same norms and standards are applied to all HoDs in terms of procedures.
- (c) The role of evaluation panels is to advise EAs on the performance of their HoDs.

2.2 Guidelines

- (a) The composition of the evaluation panel should be discussed by the EA with the HoD involved. Although the final decision on the composition of the evaluation panel remains that of the EA, attempts should be made to reach agreement with the HoD in this regard.
- (b) In addition to the Chairperson from the PSC, the panel members should comprise not less than three but not more than four members. It is proposed that panels be constituted as follows:
 - (i) A Minister from the same Cabinet cluster in the case of national HoDs, and Member of the Executive Council (MECs) in the case of provincial HoDs.

- (ii) One peer of the HoD (nominated from the FOSAD cluster in which the HoD participates in the case of national HoDs or from amongst the other HoDs in a province in the case of provincial HoDs; national HoDs may also be nominated as peers to serve on provincial panels).
 - (iii) One or two persons representing key client(s) or stakeholder(s) of the department.
- (c) Executive Authorities are encouraged to ensure representivity when appointing panel members.
 - (d) Executive Authorities should, after consultation with panel members on their availability for the panel, confirm their appointment in writing and the date of the evaluation. During the consultation process, the role of the panel should be explained. To this end, a copy of these guidelines should be provided to the panel members.
 - (e) In order to expedite the finalisation of the evaluation process, the EA should liaise with the Office of the PSC on possible dates for the evaluation, and should strive to nominate panel members who will be available on those proposed dates. **EAs are responsible for ensuring the availability of panel members during scheduled evaluation meetings.**
 - (f) In order to streamline the evaluation process and improve compliance with this Framework, it is advisable that evaluation panels be constituted according to Government Clusters in the national and provincial spheres. In such an instance the composition of the evaluation panel would be discussed and confirmed by the EAs and HoDs within a Cluster. The final decision on the composition of the evaluation panel still remains that of the EAs in that Cluster. Attempts should therefore be made to reach agreement at the level of the Cluster and with the HoDs to come up with a single panel that would evaluate all HoDs in one or two sittings.

2.3 Administrative requirements

- (a) The names and contact details of panel members must be provided to the PSC by not later than **30 October 2009** by all EAs. In the case of national HoDs this information must be forwarded for the attention of the Chairperson of the PSC. The details of panel members for provincial HoDs must be forwarded to the Public Service Commissioner resident in the relevant province. A contact list of the relevant Commissioners is attached in **Annexure A**.

- (b) In order to promote compliance with the PMDS, the PSC will only facilitate evaluations which take place within twelve months of the release of the departmental Annual Reports for the performance cycle under review. Given the fact that Annual Reports are currently published in August, the PSC will facilitate evaluations from August following the release of the Annual Reports until July the following year. In terms of this provision, **the cut-off point for facilitating evaluations for the 2008/2009 performance cycle will be 31 July 2010.**

3. SECRETARIAT

3.1 Regulations

- (a) All evaluation panels must be supported by the Secretariat provided by the Office of the Public Service Commission.
- (b) The role of the Secretariat is to collate and process all the information received from HoDs and Executive Authorities into a reporting format for the evaluation panels and to take minutes of proceedings and assist the panel with the calculation of the final score results based on the evaluation of KRAs and CMCs during meetings of the evaluation panels.

3.2 Guidelines

- (a) It is proposed that Executive Authorities nominate a contact person in their offices to liaise with the Secretariat in order to expedite the evaluation process.
- (b) In order to assist with the calculation of the final score / result, the Secretariat captures the agreed scores of the evaluation panel on each KRA and CMC in the Microsoft Excel calculator prescribed in the PMDS as indicated in **Annexure B**.
- (c) National Departments can call the Secretariat on the number which appears on page 4 of this document if assistance is required when compiling documentation for the purpose of the evaluation.
- (d) Provincial departments should call respective Public Service Commission Offices at the telephone/cell phone numbers listed in **Annexure A** on page 17 and 18 of this document for further assistance.

4. EXECUTIVE AUTHORITY

4.1 Regulations

All EAs will participate in discussions of the evaluation panels of their respective HoDs and will provide inputs when deemed necessary or when required by the panel. The advice emanating from the evaluation panel will not be binding on EAs and they will still be responsible for the final decisions.

4.2 Guidelines

- (a) EAs should complete the verification statement by rating each KRA and CMC in the performance agreement of the HoD and also by making comments on the space provided, prior to sending the verification statement (**Annexure C**) to the PSC. Each page of the verification statement should be initialed by both the EA and HOD, and full signatures should be attached at the end of the document.
- (b) EAs shall participate in the discussions of the evaluation panels of their respective HoDs, but should recuse themselves when the panel starts to formulate its advice on the level of performance of the HoD.
- (c) Given the changes in the Executive after the 2009 General Elections, it is advisable for the responsible EAs to involve former EAs who were responsible for supervising the work in concluding the Verification Statement. Former EAs may also be invited to provide an overview of performance to the panel and respond to questions by panel members on the day of the meeting. Should former EAs be unavailable, the responsible EA must use the information at his / her disposal to finalise the evaluation.
- (d) Executive Authorities should carefully study the advice received from the evaluation panel. After applying their minds EAs need to take a decision **and communicate that decision to their HoDs.**
- (e) In view of the fact that EAs will be participating in the evaluation by the panel, it is advisable for EAs not to deviate from the advice of the evaluation panel except where they provide valid reasons for this. If such reasons exist, good practice requires the EA to minute the reasons of his/her decision on the performance of the HoD. The reasons should accordingly be conveyed to the PSC and the HoD concerned.

5. EVALUATION PROCESS

5.1 Regulations

- (a) The evaluation of HoDs will be aligned to the planning cycle of Government. Currently Government uses the Medium Term Strategic Framework (MTSF) cycles for planning and the annual performance plans for implementation. It therefore follows that evaluation periods will be linked to financial years. Evaluations must cover one financial year.
- (b) HoDs and their Executive Authorities must complete negotiations and sign performance agreements by the end of May each year. The format provided in the PMDS shall be utilized for all performance agreements (**Annexure D**). Performance Agreements of HoDs must be filed with the Public Service Commission not later than 30 June of each year.
- (c) Progress made in relation to the set objectives in the performance agreements must be reviewed regularly. At a minimum, two formal performance reviews should take place annually (preferably one in the middle and another at the end of the cycle). These reviews should be in writing and submitted to the PSC with all other relevant documents for annual assessment.
- (d) The information to be used during the evaluation process must be forwarded to the Office of the Public Service Commission according to the set dates. The following information will be used during the evaluation process:
 - (i) The performance agreement for the relevant financial year.
 - (ii) The department's three-year strategic plan which incorporates the particular year for which the HoD's performance is being evaluated.
 - (iii) The department's annual report for the relevant financial year
 - (iv) A verification statement completed by the Executive Authority and HoD detailing the achievement of key result areas and core management criteria provided for in the performance agreement.
 - (v) Half yearly review reports for the relevant financial year.
- (e) The designated secretariat will collate all information submitted to it and forward it to the evaluation panel for consideration. During the

evaluation process, evaluation panels will obtain inputs from both the Executive Authority and HoD.

- (f) The panel will consider performance for each key result area (KRA) and Core Management Criteria (CMC) and award a score on a scale of 1 to 5 as defined below (The Secretariat will assist with the calculation and the overall score will then determine the level of performance):

LEVEL 5: OUTSTANDING PERFORMANCE (150% - 167%) – Performance far exceeds the standard expected of a member at this level. The appraisal indicates that the HoD has achieved exceptional results against all performance criteria and indicators and maintained this in all areas of responsibility throughout the year.

LEVEL 4: PERFORMANCE SIGNIFICANTLY ABOVE EXPECTATIONS (130% - 149%) – Performance is significantly higher than the standard expected in the job. The appraisal indicates that the HoD has achieved better than fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.

LEVEL 3: FULLY EFFECTIVE (100% - 129%) – Performance fully meets the standard expected in all areas of the job. The appraisal indicates that the HoD has achieved fully effective results against all the performance criteria and indicators as specified in the PA and Workplan.

LEVEL 2: PERFORMANCE NOT FULLY SATISFACTORY (70% - 99%) – Performance is below the standard required for the job in key areas. The appraisal indicates that the HoD's performance meets some of the standards expected for the job. The assessment indicates that the member has achieved below fully effective results against more than half of the key performance criteria and indicators as specified in the PA and Workplan.

LEVEL 1: UNACCEPTABLE PERFORMANCE (69% and lower) – Performance does not meet the standard expected for the job. The appraisal indicates that the HoD has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the PA and Workplan. The HoD has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.

- (g) The panel will provide advice in writing to the relevant Executive Authority indicating the level of performance of the HoD. The Executive Authority, after considering this advice, will make decisions on cash bonus, and salary progression and other actions to be taken (as provided in the PMDS) in terms of the performance of their HoDs.
- (h) According to a Cabinet decision of 16 February 2005, no cash bonus may be paid to an accounting officer (irrespective of level) who materially over or under spends on his/her budget.
- (i) The results of the evaluation process must be forwarded to the President and the Premiers.

5.2 Guidelines

- (a) In terms of a Cabinet decision of December 2002, HoDs must file their Performance Agreements with the PSC. Performance Agreements for the 2008/2009 financial year should have been submitted to the Office of the PSC for filing by 30 June 2008. All eleven CMCs and Example 2 of the workplan contained in the PMDS are compulsory for HoDs as approved by the MPSA. The three mandatory KRAs (Regional Integration, Integrated Governance and MISS) should be included on the PAs of all HoDs. EAs and HoDs should refer to the government's Program of Action for indicators of these KRAs, particularly Regional Integration.
- (b) Annual reports for 2008/2009 should be provided as soon as they are published.
- (c) Where Performance Agreements do not comply with the requirements of the PMDS format (**Annexure D**), the affected HoDs will not be evaluated in terms of this framework. Executive Authorities will have to make representations directly to the MPSA on alternative measures to evaluate their HoDs where such compliance cannot be met. A checklist that is used for assessing the quality of the Performance Agreements submitted to the PSC is attached as **Annexure E** for ease of reference.
- (d) Executive Authorities and HoDs should pro-actively commence with the completion of the verification statement and should not wait for the publication of departmental annual reports. Both the EA and the HoD should indicate their individual scores against each KRA and CMC and complete the milestones column in the verification

statement and attach their signatures on the last page. Ten copies of the verification statements, three-year strategic plans which include the 2008/2009 financial year should be submitted to the PSC not later than **30 October 2009**. The format attached as **Annexure C** should be used for the completion of the verification statement.

- (e) The secretariat will distribute the evaluation documents to the Panel together with information collated from the evaluation documents and the Organisational Performance Assessment Instrument.
- (f) The secretariat should timeously submit collated information to the members of the evaluation panel, ideally three weeks before the evaluation meeting. Evaluation panel members should submit questions for clarification to the Executive Authority and HoD **via the Secretariat** at least one week before the evaluation meeting. The secretariat will submit a collated list of such questions to the relevant Executive Authority and HoD prior to the evaluation meeting.
- (g) Guidelines on the structure of evaluation meetings are attached as **Annexure F**.
- (h) In accordance with **Annexure G**, the evaluation panel should provide its advice in writing to the Executive Authority, which should indicate the score in percentage obtained by the HoD as well as the comments of panel members, where applicable. For the purpose of awarding a cash bonus, where applicable, the following table provides parameters for awarding these for performance that is outstanding or significantly above expectations:

AWARDING OF CASH BONUSES/PAY PROGRESSION			
CATEGORIES	TOTAL SCORE	CASH BONUS	PAY PROGRESSION
A: Outstanding performance	150%-167%	Between 10 - 14% of the package	Applicable
B: Performance significantly above expectations	130 -149%	Between 5 – 9% of the package	Applicable
C: Fully effective	100 - 129%	Not Applicable	Applicable
D: Performance not fully adequate	70 – 99%	Not Applicable	Not Applicable
E: Unacceptable	69% and	Not Applicable	Not Applicable

performance	lower	
-------------	-------	--

- (i) HoDs shall be eligible for pay progression to the next higher remuneration package within the relevant remuneration band after completion of at least one financial year service at the current remuneration package. The HoD should have been assessed and rated at least the level of fully effective to qualify.
- (j) The written decision by the EA must be provided in accordance with the format attached as **Annexure H**, which should be submitted to the Office of the Public Service Commission.
- (k) EAs should also provide a copy of the above decision to the Head: Corporate Services in their departments for implementation.

6. REVIEW

6.1 Regulations

- (a) Where an HoD is dissatisfied with a decision of the EA regarding the evaluation she/he may request a review of the matter. The performance agreements of HoDs provide for a dispute settlement procedure according to which a person is identified to whom disputes must be referred for mediation. As a first step, disputes emanating from the performance evaluation of HoDs must be referred to the agreed person. If, however, the dispute cannot be resolved by such a person, the matter can be referred to a Review Committee. A national HoD must lodge his/her dissatisfaction with a Review Committee consisting of the Deputy President and the Minister for Public Service and Administration or their nominees.
- (b) A provincial HoD must lodge his/her dissatisfaction with a Review Committee consisting of the Premier and a MEC nominated by the Premier. A Director-General in the Office of a Premier can refer his/her dispute to a Review Committee consisting of the Deputy President and the Minister for Public Service and Administration or their nominees. In instances where the Premiers have not delegated their authority in terms of the career incidents of HoDs (provided in section 3B (4) of the Public Service Act, 1994), the same review process provided for national HoDs and Directors-General in the Offices of Premiers should be followed, e.g. referral to a Review Committee consisting of the Deputy President and the Minister for Public Service and Administration or their nominees.

6.2 Guidelines

Disputes referred to Review Committees must contain the following details:

- (a) The written advice of the evaluation panel.
- (b) The decision by the Executive Authority.
- (c) Reasons for deviating from the advice of the evaluation panel, if applicable.
- (d) Affidavits from both the Executive Authority and HoD containing full details of the nature of the dispute.

PSC's CHECKLIST FOR THE QUALITY ASSESSMENT OF THE PERFORMANCE AGREEMENTS OF HEADS OF DEPARTMENT

INTRODUCTION

1. In terms of Public Service Co-ordinating Bargaining Council (PSCBC) Resolution 13 of 1998, senior managers are required to sign performance agreements (PAs) whose aims are -
 - (a) to assist senior managers to define key responsibilities and priorities, and provide measures for assessing success;
 - (b) to encourage improved communication between senior managers and their supervisors; and
 - (c) to enable the Executive Authority (EA) or supervisors of senior managers to assess the senior manager's work and provide support.
2. The new Performance Management and Development System (PMDS) which came into effect on 1 April 2002 and **amended w.e.f. 1 April 2006**, provides for the inclusion of mandatory elements in PAs.
3. The new PMDS stipulates that all HoDs should enter into PAs within the first month of the new financial cycle.
4. The Public Service Commission has been tasked by Cabinet to advise EAs and heads of department (HoDs) on the quality of their PAs. For this purpose the following checklist has been developed and is applied in assessing the quality of PAs and formulating advice. The checklist assesses quality in terms of -
 - (a) compliance to regulatory requirements, and
 - (b) the content of workplans.

COMPLIANCE WITH THE REGULATORY REQUIREMENTS

5. In ensuring compliance of the PA with the requirements of the PMDS all the listed mandatory elements in the checklist below must be confirmed in the PA. The prescribed format for structuring a PA and examples of two types of workplans are attached to assist in quality assurance. ***Please note that, as previously communicated, example two of the attached workplans must be used in respect of HoDs to ensure consistency.***

QUALITATIVE ASSESSMENT OF THE PERFORMANCE AGREEMENT

5. The following quality issues should be addressed:

AREA TO BE CHECKED	QUALITY ISSUES TO BE ADDRESSED	ADDITIONAL FOLLOW UP TO BE MADE/REMARKS BY THE OFFICE
(a) Alignment of PA to strategic plan of the department	Check for synergy between strategic plan and PA and advise on gaps in the PA (e.g. KRAs aligned with objectives/outputs).	
(b) Formulation of KRAs	<ol style="list-style-type: none"> 1. Are KRAs clearly formulated and understandable? 2. Are KRAs correctly identified? (i.e. are KRAs not confused with outputs or activities?) 3. Is there any duplication in the contents of KRAs? (can certain KRAs not be collapsed into one?) 	
(c) Formulation of outputs/ activities	<ol style="list-style-type: none"> 1. Are outputs and activities clearly formulated and understandable? 2. Are outputs and activities relevant to KRAs? (by comparing with strategic plan) 	
(d) Formulation of performance indicators.	<ol style="list-style-type: none"> 1. Do performance indicators allow measurement of achievement? Check outputs and performance indicators to determine whether performance indicators should provide for measurement in terms of – <ul style="list-style-type: none"> • timeframes • quantity • quality 2. Check if performance measures are achievable / realistic. (Due to a lack of line function knowledge of departments, care should be taken if advice is to be formulated in this area. Focus should mainly be on glaring discrepancies in timeframes allocated) 	
(e) Appropriateness of weightings.	Check for discrepancies in the allocation of weightings. If specific KRAs have been allocated substantially higher weightings than others, the reasons for the weightings could be requested in the advice letter (unless the awarding of the weightings was done for reasons obvious to the Office).	

AREA TO BE CHECKED	QUALITY ISSUES TO BE ADDRESSED	ADDITIONAL FOLLOW UP TO BE MADE/REMARKS BY THE OFFICE
(f) Adequate addressing of resource requirements and enabling conditions.	Where this area has not, according to the Office, been completed with sufficient detail, the advice letter should enquire from the HoD whether he/she is satisfied that the enabling conditions contained in the PA have been adequately covered.	
(g) Performance standards attached to the CMCs.	Check if department specific performance standards have been set in addition to the generic standards. If not, enquire from the HoD whether no additional standards are required.	
(h) Weighting of CMCs.	As with the KRAs check for obvious discrepancies in weightings allocated and enquire from the EA and HoD on the rationale applied during allocation.	

STRUCTURING MEETINGS OF EVALUATION PANELS FOR THE EVALUATION OF HEADS OF DEPARTMENT

1. RESPONSIBILITIES OF THE EVALUATION PANEL

- 1.1 The role of evaluation panels is to advise executive authorities on the performance of their HoDs
- 1.2 The members of the panel must be objective and must strive to formulate advice based on fact and not assumption. Panel members must therefore be given the opportunity to seek clarity where required from the HoD and executive authority.
- 1.3 The panel must strive to reach consensus at the meeting on the level of performance regarding each KRA and CMC. The total score will influence the final result and level of performance of HoD in the advice to be provided to the executive authority. Minority positions must be minuted and indicated to the executive authority.

2. STRUCTURE OF MEETINGS

The chairpersons of evaluation panels (Public Service Commissioners) will play a significant role in the evaluation of HoDs to ensure that justice is served. They should therefore be well prepared for evaluation meetings and communicate their requirements clearly to the Secretariat.

2.1 The Planning Phase

- 2.1.1 After the PSC has written to all EAs and supplied them with copies of the Guidelines, EAs should proceed with finalizing the appointment of panel members. The relevant Commissioner will formally communicate to the panel members and forward the necessary documentation for the evaluation.
- 2.1.2 Chairpersons should request panel members to go through the documentation and prepare questions for clarification to be directed to the relevant executive authority and HoD. Where

possible, these questions should be forwarded to the secretariat at least one week before the panel meeting. Questions may also be raised at the evaluation meeting.

2.2 THE MEETING

The Chairperson will be responsible for structuring the evaluation meetings. Evaluation panel members should set aside at least two hours for the evaluation. The agenda for an evaluation meeting could be structured as follows:

1. Welcome and introductions
2. Discussion of process/purpose
3. Overview of HoD's performance by the Executive Authority
4. Overview by the HoD and response to pre-identified questions
5. Questions for clarification to HoD and Executive Authority
6. Conducting and summarising assessment and deciding on the assessment rating for 2008/2009
7. Closure

2.2.1 The Chairperson of the panel must emphasise the importance of confidentiality at the onset of the meeting.

2.2.2 During the meeting the Chairperson must direct discussions and maintain formal meeting protocol.

2.2.3 In the event that consensus cannot be reached on the advice to be provided, a majority and minority position must be

indicated. The Chairperson should, however, endeavour to achieve consensus.

- 2.2.4 The Chairperson is responsible for summarising the findings of the evaluation panel for minuting by the Secretariat.
- 2.2.5 Any queries regarding the advice by the panel will be directed by the executive authority to the Chairperson of the evaluation panel.
- 2.2.6 The document containing the advice of the panel must be signed at the meeting by all members of the panel.
